October 5, 2017

Dear Parents/Guardians,

The St. Croix County Public Health Department will be providing a **free influenza immunization** clinic for school-aged children on **Tuesday Nov. 7th**. If you would like your child to receive the **injectable influenza vaccine**, a consent form must be filled out by a parent or legal guardian unless the student is a legal adult. Nasal influenza immunization is **NOT** available this year. The parent does not need to be present at the clinic if the child brings a signed consent form. **Please return the signed and dated consent form to school no later than Nov. 2nd.** The consent form and the vaccine information sheet are posted on the school website and are available at the school offices.

Glenwood City School Clinic Information:

Date: Tuesday November 7, 2017

Location and Time: Elementary Library 12:00-3:00pm

If you have any questions regarding the clinic, please contact the Health Department at 715-246-8263 or your school nurse.

Sincerely,

St. Croix County Public Health Department Staff
