

March 14, 2024

Dear Staff, Parents, and Community Members,

As communicated in the [GCSD Spring Newsletter](#) sent out on March 4, 2024, the School District of Glenwood City continues our active investigation regarding its former superintendent and is cooperating with all outside investigating authorities. The District is not able to comment further on this matter at the current time.

The School District of Glenwood City has a fundamental responsibility to be effective stewards of the taxpayers' money. To provide complete transparency, the GCSD Board of Education approved a contract with Intellex Forensics Advisory Services, Inc. at last night's Board Work Session to conduct a forensic audit to begin as soon as possible. The fee for conducting the forensic review of School District Glenwood City is capped at \$21,000.

As stated before, we would like to assure the Glenwood City community that we are taking these issues seriously. We appreciate the community's understanding and support. When and if we are able to share more information, we will do so. The School District of Glenwood City's **TOP PRIORITY** is ensuring that we provide the highest quality learning environment for our students and that we hold ourselves to the utmost moral and ethical standards regarding the District's internal operations. The School District of Glenwood City's **TEAM** of Staff will continue to focus on the educational process for **EVERY STUDENT, EVERY DAY** and we appreciate your support and patience as we work through this current situation. We will continue to earn your trust with true integrity and transparency.

Respectfully,

Patrick B. Olson
District Administrator
