

Summer Learning Opportunities 2018

The School District of Glenwood City is again providing **Summer School Enrichment** and **STARS** classes this year. Summer School sessions will be conducted during the mornings June 11-22 and August 6-17.

Specific summer school details include the following:

1. June will consist of 3 enrichment classes from 8-11:30 followed by Sports Skills from 12:00-2:00. August will consist of an English/Language Arts/Reading Class and a Math Class from 8-11:30.
2. Registration materials are enclosed. Registration forms should be returned to your child's teacher by **Friday, April 20**. When selecting courses use the current school year (2017-18) grade placement of your child.
3. Please, select three (3) courses that would be of interest to your child for the June session.
4. We encourage the students to select classes that are not repeats from what they had selected the previous year.
5. Your child's confirmed schedule will be sent home during the week of May 21st.
6. Some courses require a fee. These are identified with the course descriptions. The fees will help offset the material expenses. **Checks should be made payable to the School District of Glenwood City and brought to the Elementary Office when the fee is determined. Please, DO NOT SEND MONEY WITH YOUR REGISTRATION FORM.**
7. Parents are responsible for arranging transportation to and from the elementary school during this time.

Attached is the list of all the courses that are being offered this summer. If you have any questions regarding this information, please contact Nicole Brite at 715-265-7120.
