

STOMP PROJECT

After watching “Stomp Out Loud” you will use the same type of ideas to create your own rhythmic song.

- Groups of 3 or 4 (choose them wisely)
- Song will need to be 4 minutes
- You must have three different rhythms written out and play each one somewhere on your song
- The rest of the song can be written out or loosely improvised

Ideas for instruments:

- sports equipment
- pots/pans/glasses with water
- books/newspapers/notebooks
- keys/loose change
- whistles/noisemakers (no mouthpieces, kazoos or recorders)
- cans/bottles
- chairs/stands
- anything else you can think of
- NO actual musical instruments or drum sticks

Do not use anything that can break, shatter, or leave a mess.

This assignment will be worth 50 points. See scoring sheet for details. GOOD LUCK!!!!!!
