Dear Parent or Guardian,

The St. Croix County Public Health Department will be providing a free influenza immunization clinic for school-aged children on Wednesday, November 5th. If you would like your child to receive the injectable influenza vaccine, a parent or legal guardian must fill out a consent form, unless the student is 18 years old. The parent does not need to be present at the clinic, if the child brings a signed consent form. Please return the signed and dated consent form to school no later than Monday, November 3rd. The consent form and the vaccine information sheet are posted on the school website and are available at the school offices.

Glenwood City School Flu Clinic Information

Date: Wednesday, November 5th, 2025

Location and Time: Elementary Library Pit Area 12:00 pm

If you have any questions regarding the clinic, please contact your child's school.

Sincerely,

Denver Garfield, RN
Registered Nurse-St. Croix County Public Health Department
