

Counting to 100

Count to 100 with Spiderman! <https://www.youtube.com/watch?v=L9md4L2pAVQ>
Count with Sports <https://www.youtube.com/watch?v=umCltEyu0rA>
Let's get Fit to 100 <https://www.youtube.com/watch?v=1dkPouLWCyc>

- Outside 100's Chart: Create a giant hundred chart on your driveway and use it to play some fun counting games.

Count by 10's to 100

- Climb the Mountain by 10's <https://www.youtube.com/watch?v=yQSdKINvrmw>

Representing and Identifying numbers and place values

- Use objects/toys like legos, beads, or crayons, play dough pieces to count and represent numbers. Practice making groups of 10. Use smaller objects (beads/small legos for ones and larger like crayons or stacking legos as tens sticks). Provide two 2 digit numbers your child can write out or represent to add or subtract.

If the one's place has more than 10, trade it for a ten (when adding).

Addition and Subtraction

Using Pictures:

$$2 + 1 = 3$$

Draw how many you start with. (2)
Draw how many more are added. (1)
How many altogether? (3)

$$3 - 2 = 1$$

Draw how many you start with.
Cross out how many are taken away.
How many are left?

Counting on

8

9 10!

and count on!

Put the bigger number in your head

$$8 + 2 =$$

Counting on with fingers, number lines, or a hundreds chart

Count On To Add

$$3 + 2 = 5$$

Start on the first number. (3)
Count forward as many as the second number. (2)
What number are you on? (5)

Count Back To Subtract

$$5 - 2 = 3$$

Start on the first number. (5)
Count back as many as the second number. (2)
What number are you on? (3)

Place Values adding /subtracting

$$\begin{array}{r|l} \text{T} & \text{O} \\ \hline 6 & 7 \\ + & 25 \\ \hline \end{array}$$

$$\begin{array}{r} \text{T} \text{ O} \quad \text{T} \text{ O} \\ 67 + 25 = \end{array}$$

(6 tens) (7 ones)
||||| ○○○○
|| 1 ← ○○○○
(2 tens) (5 ones)

→ if more than 10 ones, bundle a group

100's Chart

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

Add +

If you read:
sum • total • all together
plus • in all

Subtract -

If you read:
remainder • difference
less than • fewer • left
how many more • minus

Multiply x

If you read:
product • times • twice
total • multiplied by

Divide ÷

If you read:
quotient • goes into
split equally • each
