

The School District of Glenwood City is excited to share that the GC Tiny Toppers program will be expanding its childcare services to include 6-weeks to 3-years of age. This new venture will be led by Ms. Beth Davis, Hilltopper Hangtime & Tiny Toppers Coordinator.

The GC Tiny Toppers 6-weeks to 3-years of age childcare program will take over the space formerly known as The Little Acorns Learning Center on the Glenhaven, Inc. campus located at 612 East Oak Street in Glenwood City, Wisconsin pending legal review of the final agreement.

The School District of Glenwood City is planning to occupy the space as of February 1, 2024. However, we will need a transition period to properly set up this space to fit the needs of the GC Tiny Topper program. The goal is to again provide GC Tiny Toppers (6-weeks to 3-years of age) child care services later in February after both the agreement and space is finalized.

At this time, the School District of Glenwood City is looking to staff this new programming and would like any families interested in possible child care for their 6-weeks to 3-years of age to notify Ms. Beth Davis, Hilltopper Hangtime & Tiny Toppers Coordinator via email (beth.davis@gcsd.k12.wi.us). Please note, staffing availability and space requirements are in place and notification to Beth Davis does not guarantee an available child care spot.

In addition, we will be looking for dedicated childcare staff members to join the team at the School District of Glenwood City through its GC Tiny Toppers programming. See posting below:
