

Kindergarten Corner

Week of April 20th

Dear Families,

We have been seeing some great writing and math from you. Keep up the good work at home! If you have not emailed a picture of your child's writing from the prior week or the math from this past week, please do it soon. We are going to start a new concept of subtraction in math. We have put videos for your reference if you wish to have your child watch these. We want them to fluently be able to subtract within 5 just like addition. There is a social studies assignment due before Friday, April 24th. Create a map of a room in your house and email a picture to your teacher.

The Kindergarten Team

	Day 1	Day 2	Day 3	Day 4	Day 5
Reading	Listen to this story online if you can or read books you have from home. Tops and Bottoms by Janet Stevens	Grab a few books and read outside for 15 mins.	Read or listen to stories. Talk about setting, characters and retell the story.	Read books for 10 minutes with a flashlight.	Read a nonfiction book
Language Arts	Which was your favorite part of the story and why?	Write words that start or end with the digraph "sh".	Look for the sight words "me" and "see" in books	Write 6 words in the -et word family	Tell as many facts as you can from the book. What did you learn?
Writing	Write and draw about a plant, seed, tree, flower, etc.	Write an opinion about whether you like ice cream or cookies better and why. I like _ because _.	Choose either "can" or "see" and use it in a sentence. Draw a picture to go with it.	Free write! Write about anything you want.	Write and draw about an animal you know a lot about. Remember to use realistic color choices.
Math	Subtraction Video Watch Subtraction Video about 5 monkeys jumping on the bed	Practice subtraction with the song 5 Green and Speckled Frogs Song	Subtraction Video #2 (use paper and pencil with video) I have 6 lollipops and ate 2 lollipops.	Make your own subtraction problems up to 5.	Practice addition flashcards up to 5. Click here for flashcards
Social Studies	Click here for this week's Social Studies lesson.				
Community Building	Cereal Box Challenge: What can you do with a cereal box? Create something from any cereal box! You can use any other materials you have available. Use this challenge to be creative and learn through play. Feel free to post pictures of your creation on our classroom Facebook page or email us pictures.
