

<p>Counting to 100</p>	<p>Count to 100 with Spiderman! https://www.youtube.com/watch?v=L9md4L2pAVQ Count with Sports https://www.youtube.com/watch?v=umClIEyu0rA Let's get Fit to 100 https://www.youtube.com/watch?v=1dkPouLWCyc</p> <ul style="list-style-type: none"> • Create a giant hundred chart on your driveway and use it to play some fun counting games.
<p>Count by 10's to 100</p>	<p>Climb the Mountain by 10's https://www.youtube.com/watch?v=yQSdKINvrmw</p>
<p>Counting objects</p>	<p>Can you count the minecraft creepers? You may need to pause each level for enough counting time, they go pretty quick. https://www.youtube.com/watch?v=_2GE3qdd8sc</p> <ul style="list-style-type: none"> • Use objects/toys like legos, beads, or crayons, play dough pieces to count and represent numbers 1-21 • Get outside and count objects: Instead of counting mailboxes, try to count the leaves on a tree. You can even count your steps until you reach 100.
<p>Representing Numbers and Identifying Numbers</p>	<ul style="list-style-type: none"> • Use play dough to shape each number • Have sand or a sandbox outside? Use fingers to draw the number right in the sand • I write, you write (take turns representing different numbers) • Highlight or create dotted lines for numbers to be traced • Create your own memory game with 2 sets of each number 0-21 or make one set with the number and the other with dice dots representing that number

Addition and Subtraction

Using Pictures:

$$2 + 1 = 3$$

Draw how many you start with. (2)
Draw how many more are added. (1)
How many altogether? (3)

$$3 - 2 = 1$$

Draw how many you start with.
Cross out how many are taken away.
How many are left?

Counting on

8

9 10!

and count on!

Put the bigger number in your head

$$8 + 2 =$$

Counting on with fingers, number lines, or a hundreds chart

Count On To Add

$$3 + 2 = 5$$

Start on the first number. (3)
Count forward as many as the second number. (2)
What number are you on? (5)

Count Back To Subtract

$$5 - 2 = 3$$

Start on the first number. (5)
Count back as many as the second number. (2)
What number are you on? (3)

100's Chart

1	2	3	4	5	6	7	8	9	10
