

Kindergarten Corner

Week of March 23rd

Dear Families,

During our time apart, we will be providing you with some optional activities to do at home. We will try to keep it as close as possible to what we would be learning at school. Here are some other foundational skills you can be working on:

- Counting to 100 by tens and ones
- Writing uppercase, lowercase, and numbers 0-20 correctly
- Writing complete sentences with spaces, punctuation and using lowercase versus uppercase letters.

Thank you for your support at home. Stay safe and healthy!

Love, Mrs. Borgenheimer, Mrs. Kaiser, and Mrs. Langreck
