

# Kindergarten Corner

Week of March 30th

Dear Families,

The kindergarten team will have office hours from 8:00 a.m. until 3:30 p.m. on days that we have school. This means that during those times we will be checking emails and we will be available to support you in any way we can. Also, we want to reiterate that you do not have to do all the activities below.

We saw some great LEGO creations last week and we are excited to see what you create this week!

Thinking of you all,

The Kindergarten Team
