

Kindergarten Corner

Week of May 18th

Dear Families,

This will be our last week of the Kindergarten Corner. Please feel free to keep posting photos for the ABC Countdown which goes past this week. Thank you for all of your hard work at home!

The Kindergarten Team

	Day 1	Day 2	Day 3	Day 4	Day 5
Reading	Listen to The Tiny Seed . Retell the story when you are done reading it.	Read two books on Raz-Kids	Listen to Planting a Rainbow . Talk about what your favorite color flower would be and why.	Choose 2 activities from our Reading BINGO Card	Listen to Mrs. Bindergarten Celebrates the Last Day of Kindergarten . Talk about your favorite part of kindergarten and why.
Language Arts	Play hopscotch, but instead of numbers use sight words you know!	Rhyming Scavenger Hunt	Word Family Flower Art : Pick a word family from below and make flower art. The words will go on the petals. Word Families: at, an, it, ig, et, ox, ug	Play this fun Consonant Blend Game!	Listen to the Digraph Song —focusing on th, wh, sh, and ch. Then come up with 2 words for each digraph.
Writing	Draw and write about something you did over the weekend. Include who was there, what you did, and how you felt. Label your picture too!	Write 2 facts you know about any animal you want.	Unscramble these sentences and write them on paper. cat The little. is run. He can I bus. am the on	Free Write- Write about anything you want.	Write about your favorite part of kindergarten.
Math	Number Writing- Practice writing numbers 1-20 in flour, sugar, sand, flour, or shaving cream. Challenge: Write numbers above 20— can you write to 100 or higher? Send a picture to your teacher if you can!!	Teen Numbers- I can build towers to show 1 to 20 Watch this video Try to build towers to 20 with things you have at home.	Keep practicing making teen numbers (11-19) by showing a group of 10 and 'some more.' Use items you have around the house such as coins, marshmallows, etc.	Playing Card Addition Game	Practice addition and subtraction flashcards. Click here for flashcards.
Science	Click here for this week's science lesson. This lesson is about how animals change over time.
