She will also have a Photo Op for students and Grandparents to take a photo.

Dear Community Partner,

We are members of the Glenwood City Elementary Parent Teacher Connection (GCE PTC) reaching out to you on behalf of all Glenwood City Elementary Students. GCE PTC is a group formed to support all students by creating an environment where they can grow and thrive in all aspects of their education.

One of our annual goals is to raise funds that support various areas throughout the elementary school. Our target this year is \$2,500. Items purchased by our group serve as enhancements to the learning environment of each student within our elementary school.

Past funds have been used to provide new playground equipment, technology resources (Google Chromebooks, Apple iPads and iPods) and STEM resources used in classrooms.

One of our largest fundraisers is a gift basket raffle (GCE PTC Gift Basket Bash). We create large assortment of 'themed' baskets through sponsorships of the various items that makeup an overall basket. These various baskets are designed to appeal to all age groups.

The items used in these baskets are all donated, allowing us to funnel ALL funds raised directly to the students. We are asking you to consider supporting our fundraising efforts by donating to this cause through products, tickets, gift certificates, or financial sponsorship of a basket created by our group.

Our 2019 raffle will kick off on February 2nd at the Glenwood City Youth Basketball Tournament and will run through March 15th. Basket winners will be announced the week of March 18th.

Baskets will be prominently displayed throughout this timeframe at various events as well as online. These baskets and advertisements will include sponsor names associated with each basket (no donation monetary amounts displayed).

Please let us know by January 15th, 2019, if you are willing to support our efforts with a donation. A tax receipt will be provided for use on your taxes. You can contact any of us below with additional questions or to confirm a donation.

Thank you for your consideration of our request and continued support of the Glenwood City School District.

Warm regards,
