

## Summer Softball Sports Skills

Come attend some additional softball skills practices just as your game season starts. **Our goal is to get the GC summer rec. teams together more often for skills practices so each team can compete at a higher level.** However, you do not have to be on a rec. team to participate. Coach Schutz, the high school girls coach, and some of his athletes will be directing the sessions. They all take place on the high school softball field. Bring your glove, a helmet or bat if you have one, water bottle, and wear your softball pants for some sliding instructions too. Even if you can only attend one or two sessions, please sign-up. Note: these are listed in the current grade the child is in. **Keep these dates and times for your calendar.**
